

Hub Legal Training Sessions 2016

Each year the Hub runs a number of legal training sessions on subjects of interest to its members and associates. These are led by legal firms on the [NHS Commercial Alliance Legal Services Framework](#) who offer their time and expertise as part of an on-going partnership with the Hub.

Topics vary, but all are targeted towards staff working in Acute Trusts, Mental Health and Community Trusts, CCGs and other NHS organisations. Seminars are free to attend for all NHS staff.

The titles of this year's seminars can be seen below. All sessions take place at Victoria House, Fulbourn, Cambridge.

Please click on the relevant title below (if viewing online) to find out more information about each event and to register to attend. Otherwise, visit the events page on the Hub's website for registration links: (<http://eoecph.nhs.uk/Events.htm>)
